Using buses 174 and 601 ... Please remember the simple rules!

As the bus approaches -

Give a clear hand-signal to the bus driver as your bus approaches your boarding stop. Stand well back from the kerb as the bus pulls into the bus stop and have your pass or fare ready. Board the bus in an orderly fashion - no pushing or shoving.

As you board the bus, **always** show the driver your pass or pay the correct fare, take your ticket and find a seat ... standing is **NOT** allowed when there are seats available on the lower deck, and **never** on the stairs, platform or upper deck.

Once aboard -

Bus 601 is a bully-free zone! Respect your fellow travellers - and the bus driver, who is responsible for your safety! Please don't eat or drink on the bus. Take all your rubbish with you as you leave, or use the rubbish bags/bins provided.

Leaving the bus -

When you reach your destination, leave the bus in an orderly fashion without pushing. Stand well back from the bus after you get off. Wait until the bus has moved away if you have to cross the road - and **NEVER CROSS THE ROAD IN FRONT OF THE BUS!**

If you don't follow these rules, you can expect a temporary or permanent ban from using the service.

Fares and Ticketing:

Single and day return cash fares can be purchased from the driver. If you have a travel entitlement, please note that bus passes remain the property of Nu-Venture, are not transferable and must be shown to the driver on each journey. If you do not show your bus pass, the correct fare for the journey being taken must be paid when boarding - the bus ticket issued must be retained for the whole journey ready for inspection. Spot checks are made by company officials from time to time. The fee to replace a lost, damaged or defaced pass is £20.
