Using buses 175 and 601 ... Please remember the simple rules!

As the bus approaches -

Give a clear hand-signal to the bus driver as the bus approaches your boarding stop. Stand well back from the kerb as the bus pulls into the bus stop and have your pass or fare ready. Board the bus in an orderly fashion - no pushing or shoving.

As you board the bus, **always** show the driver your pass or pay the correct fare, take your ticket and find a seat ... standing is **NOT** allowed when there are seats available on the lower deck, and **never** on the stairs, platform or upper deck.

Once aboard -

Bus 601 is a bully-free zone! Respect your fellow travellers - and the bus driver, who is responsible for your safety! Please don't eat or drink on the bus. Take all your rubbish with you as you leave, or use the rubbish bags/bins provided.

Leaving the bus -

When you reach your destination, leave the bus in an orderly fashion without pushing. Stand well back from the bus after you get off. Wait until the bus has moved away if you have to cross the road - and **NEVER CROSS THE ROAD IN FRONT OF THE BUS!**

If you don't follow these rules, a temporary or permanent ban from using the service may be imposed

One-way and day return fares

Use cash to purchase a ticket from the driver when you board the bus. To speed up boarding, please try to have the exact change ready! One-way and day return fares are available.

The fare charged will vary by the length of the journey. Fares are subject to revision from time to time.

The Smarter way to pay for bus travel...

A Smartcard enables you to travel by bus without the worry of having the right change. Pre-load the card with credit on the bus and then pay for travel by scanning the card on the card reader on the bus.

Venturer

Venturer is brought to you by Nu-Venture. It is for those aged 24 and under, and allows unlimited journeys on all Nu-Venture buses. A must for the regular traveller.
